CHALLENGES AND PLANS

- ❑   **Strengthening the capacity of the Ministry of Labor and Social Welfare and the Centers for social work in generating and using data for policy-based decision making;**

- ❑   **Periodically publishing of data on children in alternative care on the Government official website by the Ministry of Labor and Social Welfare;**

- ❑   **Mandatory use of data in the context of better planning, implementation and evaluation of policies and programs for children by decision makers;**

- ❑   **Improvement and continuation of cooperation with relevant actors (UNICEF, UNDP, Child protection institutions, CSW, NGO's, National Statistical Office, Institute for Social and Child Protection, etc.);**

CHALLENGES AND PLANS

- Strengthening the cooperation with National Statistical Office through adoption of procedures and regulations on roles and responsibilities and common areas of cooperation;

- Adoption of guidelines for improving statistics in the field of child protection (including integration of Trans Monee guidelines);

- Improvement of child protection outcomes in Montenegro based on robust, comprehensive and quality data.
