for every child

Transformative Monitoring for Enhanced Equity **30**

Data for Decisions on Children

**TransMonEE: 30 years of monitoring
child rights and inequities**

**Taking stock and moving
towards a comprehensive
child rights monitoring
framework**

Objectives of the 2022 TransMonEE Meeting

- **Discuss** the recent developments in landscape of data on children and **review** the suggested Child Rights Monitoring Framework for Europe and Central Asia (also for TransMonEE)
- **Review** the recently adopted Guidance of the Conference of European Statisticians for improving statistics on selected vulnerable groups of children and discuss implications.
- **Take stock** of the application of the new list of minimum child protection indicators in the region and specifically explore good practices related to the generation of statistics on children in alternative care.

Agenda

Day 1, Tuesday 01 Nov 2022

Opening remarks, objectives and updates

Session 1. Conference of European Statisticians (CES) Guidance on the improvement of statistics on children
